Your license confers no title or ownership and is not a sale of any rights in the Software or its documentation.

By installing, executing and/or using the Software, either as initial version or as an upgrade, update, patch or enhancement of a prior release, this Software License shall supersede any terms and conditions previously agreed upon (whether or not in writing) between Barco and you with respect to the subject matter of this Software License and such previous terms shall from the date hereof cease to have any force or effect; provided, however that this Software License shall not be construed as a renunciation, discharge or waiver of any right or remedy provided in any terms and conditions previously agreed upon with respect to a failure of either party to perform any of its obligations under any terms and conditions previously agreed upon.

⇒ **Software License Terms**

**1** This Software License is between you and BARCO NV, a corporation organized and existing under the laws of Belgium registered under number BE 0473.191.041, Commercial Companies' Register of Kortrijk, having its registered office President Kennedypark, 35 at B-8500 Kortrijk, Belgium ("Barco") for the use of the Software.

You hereby undertake to inform all users authorized by you to make use of the computing device on which the Software is loaded/installed ("Authorized Users") of the terms of this Software License and to bind all Authorized Users to accept all such terms of this Software License as applies to them.

**2** Barco grants you a limited, non-exclusive, non-assignable, non-transferable user license (without the right to grant sublicenses). Unless specifically agreed upon otherwise between you and Barco or unless specifically allowed by the Software (or its DRM management) itself, i) the license under this Software License applies to one (1) copy of the Software to be used on one single computing device and ii) installation on a computing device that may be concurrently accessed by more than one user shall not constitute a permitted use and a separate license is required for each active user connected to a computing device on which the Software is being used.

You and Authorized Users are entitled to use the Software for the purposes and in the manner set out in this Software License (and documentation), but neither you nor any Authorized User are entitled to: (i) sell or grant a security interest in the Software to other parties in any way, or to rent, lease or sub-license the Software to others without the express prior written consent of Barco; or (ii) exploit the Software or any of its component parts for any commercial purpose, other than use by you and/or Authorized Users of the Software.

Neither you nor any Authorized User may, whether in whole or in part, copy, translate, reverse engineer, derive source code from, modify, disassemble, decompile, create derivative works based on the Software, or remove any proprietary notices or labels on the Software, save as may be permitted by law or this Software License, without the prior consent, in writing, of Barco.

**3** Barco (and Barco's licensors, as appropriate) retain ownership of all intellectual property rights in the Software and any copies you or any Authorized User may make of such Software. The Software is protected by national copyright laws, international copyright treaties and conventions, and other applicable laws. All rights not expressly licensed to you in this Software License are reserved to Barco and Barco's licensors, as appropriate. The Software contains certain other licensed materials and Barco's licensors may protect their rights in the event of any violation of this Software License.

**4** Barco shall hold you harmless, defend and indemnify you from and against direct damages, losses and expenses arising from infringement or alleged infringement of any patent, trademark or copyright of such third party by the license and the right to install the Software as permitted by this Software License and settle at its sole expense any amounts awarded in a final judgment or settlement resulting therefrom, under the condition that (i) you promptly notify Barco in writing after a claim has been asserted against you or the commencement of any claim, action, suit or proceeding (whichever is the earlier), and (ii) Barco shall be allowed to assume sole control of the defense and any settlement negotiations related to any claim, action, suit or proceeding, and (iii) you shall not negotiate, settle or compromise any claim, action, suit or proceeding without the prior written consent of Barco and (iv) you, at your cost, shall cooperate with Barco and provide assistance and support, as may reasonably be required by Barco, in connection with the defense and any settlement negotiations related to any claim, action, suit or proceeding. Barco shall have no indemnity obligation for any Software, or any portion thereof, (i) that is based on specifications, drawings, models or other data furnished by you or, (ii) that is not provided by Barco or, (iii) that is modified, in spite of the prohibition for you to modify the software or, (iv) to the extent that you continue allegedly infringing activity after having been provided modifications that avoid the alleged infringement, or (v) where the use of the Software, or the combination or thereof with other Software, processes or materials or the distribution thereof rather than the Software itself is the primary cause of an alleged infringement. In case it has been determined by a finally awarded judgment that Barco infringed or misappropriated such third party rights or earlier, at Barco's discretion, it may, at its option and cost, (i) modify the Software in such a way that it shall not infringe upon or misappropriate the rights of the third party or (ii) obtain for you a license or other right to use the rights allegedly infringed or (iii) replace the Software in question with non-infringing Software. The remedies set forth in this paragraph shall constitute your sole and exclusive remedy and Barco's sole and exclusive liability for a third party claim that the Product infringes or misappropriates any intellectual property right of a third party.

**5** The duration of this Software License will be from the date of your acceptance (as set forth above) of the Software (whereby you acknowledge that use of the Software implies acceptance), with no termination date, unless otherwise specified. You may terminate this Software License at any time by destroying all copies of the Software then in your possession and returning all associated materials and documentation, to Barco or the appointed Barco reseller that sold or provided these to you. Barco may

terminate this Software License forthwith by informing you at any time if you and/or any Authorized User are in breach of any of the Software License's terms.

**6** YOU UNDERSTAND THAT THE SOFTWARE IS BEING PROVIDED TO YOU "AS IS".
